

### Workshop:

**The National Action Plans for Social Inclusion: Street children inclusive implementation methods for the period 2008 – 2010; lessons and advocacy strategies towards making them a key target group in the period 2010- 2012**

**EFSC Headquarters  
Route d'Esch 15, 1470 Luxembourg**

**12th November 2009**

#### **Aims of the workshop**

1. To support the involvement of its MOs in the implementation phase of the 2008-2010 NAPs by exchanging experiences and giving practical advice on the interaction with the relevant authorities to gain support for projects benefiting street children under the present NAP framework;
2. To develop key advocacy messages and strategic methods which can provide MO's advocacy action on the national level with an early, stronger and shared base towards the consideration of street children as key target groups in the elaboration of the next round of NAPs 2010-2012.

The workshop will in particular focus on facilitating the exchange of good practices between the members regarding their involvement in the elaboration of the NAPs.
